7. Selection of Candidates

7.1 Selection of the candidate is based on the grading in SSLC/ THSLC or equivalent Examination. For the students who have passed qualifying examination under the old scheme (Prior to Grading system), marks are to be converted to 9 point absolute grade.

a. Grade / Mark is to be converted to 9 point absolute scale as follows,

Grade	A+	A	B+	B	C+	C	D+
% of Marks	>=90	>=80	>=70	>=60	>=50	>=40	>=30
Point	9	8	7	6	5	4	3

Note: For those who have passed the qualifying examination under the old scheme (Prior to Grading system), and with Marks for individual papers with less than 30%, and have the eligibility for higher studies, will be considered to have passed the paper in D+ grade for calculating the score in 9 point absolute scale.

- The Weighted Grade Point Average 1 (WGPA1) is the average of sum of grade points of Mathematics, Physics & Chemistry multiplied by 0.85 and divided by the number of subjects in English, Mathematics, physics and chemistry.

$$\text{WGPA1} = \frac{\text{Sum of Grade Points of Mathematics, Physics, Chemistry and English} \times 0.85}{\text{No. of subjects in Mathematics, Physics, Chemistry and English}}$$

- The Weighted Grade Point Average 2 (WGPA2) is the average of sum of grade points of subjects other than Mathematics, Physics & Chemistry multiplied by 0.15 and divided by number of subjects other than Mathematics, Physics and chemistry.

$$\text{WGPA2} = \frac{\text{Sum of Grade Points of Subjects other than Mathematics, Physics, Chemistry and English} \times 0.15}{\text{No. of subjects other than Mathematics, physics, chemistry and English}}$$

- The sum of WGPA1 and WGPA2 will yield Total Grade Point Average (TGPA)

i.e. $\text{TGPA} = \text{WGPA1} + \text{WGPA2}$

Penal Points : (No. of chances taken to pass qualifying examination - 1) x 0.5

Index Score = TGPA + Weightage for Experience#- Penal Points\$

Note

* Grades / Marks of all papers of a subject will be considered separately if the subject has more than 1 paper in the qualifying examination.

Marks of physics and chemistry / science will be counted wherever applicable

Weightage of 0.2 will be added to TGPA of candidates having professional experience in related discipline for every completed year of experience, subject to a maximum score of 2 for calculating the index. For this the conditions as stipulated in clause 5.2 shall be adhered to.

\$ Penal Point of 0.5 each will be deducted from TGPA for each subsequent chance, for calculating the index, for candidates who have passed the qualifying examination in more than one chance.

8.Preparation of rank lists:

- a. Rank list for each programme shall be prepared and published by the institution concerned.
- b. The rank lists of all Polytechnics will also be available on the website www.polyadmission.org
- c. The rank list will be prepared on the basis of **Index Score** calculated and the admission will be done strictly according to this rank list for these programmes.

d. Resolution of Tie while ranking:

- i. For the purpose of resolution of Tie the candidate with more years of completed professional experience shall be placed higher in the ranking.
- ii. If the tie still persists, candidate with higher **WGPA1** will be placed higher in rank.
- iii. If the tie still persists,

Candidates with **higher Average Grade Point in Mathematics** (Average Grade Point of different papers if more than one paper is included for the subject in qualifying examination) will be placed higher in the ranking. In case, tie exists further, **Higher Average Grade Point in Physics** (if physics is not a separate subject, average grade point for science is taken into account) will be considered. If the tie exists further, **Average Grade Point in English** (Average Point of different papers if more than one paper is included for the subject in qualifying examination) will be considered. If there is still a tie, **the age** of the candidate will be taken into account and the older one will be placed higher in the ranklist than the younger.

8.1 Publication of Provisional Rank List: The Provisional rank list prepared will be published by the Polytechnic College concerned. The Provisional Rank list of all polytechnic colleges will also be published in the web site www.polyadmission.org/pt Candidates are advised to verify the Provisional Rank list and satisfy themselves regarding their position in the list, such as

inclusion under different quotas, eligibility for Community reservation etc. If a candidate has any complaint in this regard, he/she should approach the Principal of the Polytechnic College with specific request within the specified time after publication of the list, for necessary action. **Complaint received thereafter will not be entertained.**

8.2 Publication of Final Rank List & Allotment: The Final Rank list prepared will be published by the Polytechnic College concerned. Final Rank list and Allotment will be based on the Rank of the candidate. Inclusion of name in the rank list will not entitle the applicant for admission for the programme, unless the applicant satisfies the rules regarding the eligibility for admission as laid down in the Prospectus. Furnishing of false particulars would result in the forfeiture of the candidature, as well as cancellation of admission to the programme. If any information or documents furnished along with the application by a candidate are found false or ineligibility for admission detected before or after admission, candidature of the applicant will be withdrawn and admission given if any will be cancelled.

8.3 Future Allotments: If seats are remaining vacant after the first allotment those seats will be filled by chance spot admission(s) which will be held at Polytechnic Colleges concerned. Candidates already admitted will have to attend the spot admission(s) for attempting higher options.
